Analyzing fiction (English/Spanish) (DVD) [81117]

Investigates the different stylistic choices an author can make and looks at mood, tone, and point of view to see how they can each shape understanding of events and characters in a story. Shows how figurative language can help readers appreciate both the power of language and its beauty. 23 min.

Analyzing nonfiction (English/Spanish) (DVD) [81118]

Explores nonfiction, from primary and secondary sources to a survey of the many different types of nonfiction writing. Students will learn that an awareness of common features and formats is helpful when looking for specific information. They will also learn that there are a variety of factors to consider when evaluating a work of nonfiction, such as the author's purpose and if the information provided is accurate, verifiable, and up-to-date. 23 min.

Elements of fiction (English/Spanish) (DVD) [81115]

Whether it is a fantasy, mystery, short story, or novel, there are a few key elements that are found across all works of fiction: setting, character, plot, and theme. Students will discover the characteristics of each element and how these elements can work together and influence each other. 23 min.

Genres of fiction (English/Spanish) (DVD) [81116]

Investigates some of fiction's most popular genres: contemporary realistic fiction, historical fiction, science fiction, fantasy, mystery, and horror. The characteristics, common themes, and popular subgenres of each genre are highlighted. Students will discover that while some texts clearly fit into one genre, others are not easy to categorize. 23 min.

University Faculty Member
